

# FRIENDSHIP

WHAT IS THE FIRST WORD THAT COMES TO YOUR MIND WHEN YOU THINK OF FRIENDSHIP?

KRISHNA AND SUDAMA

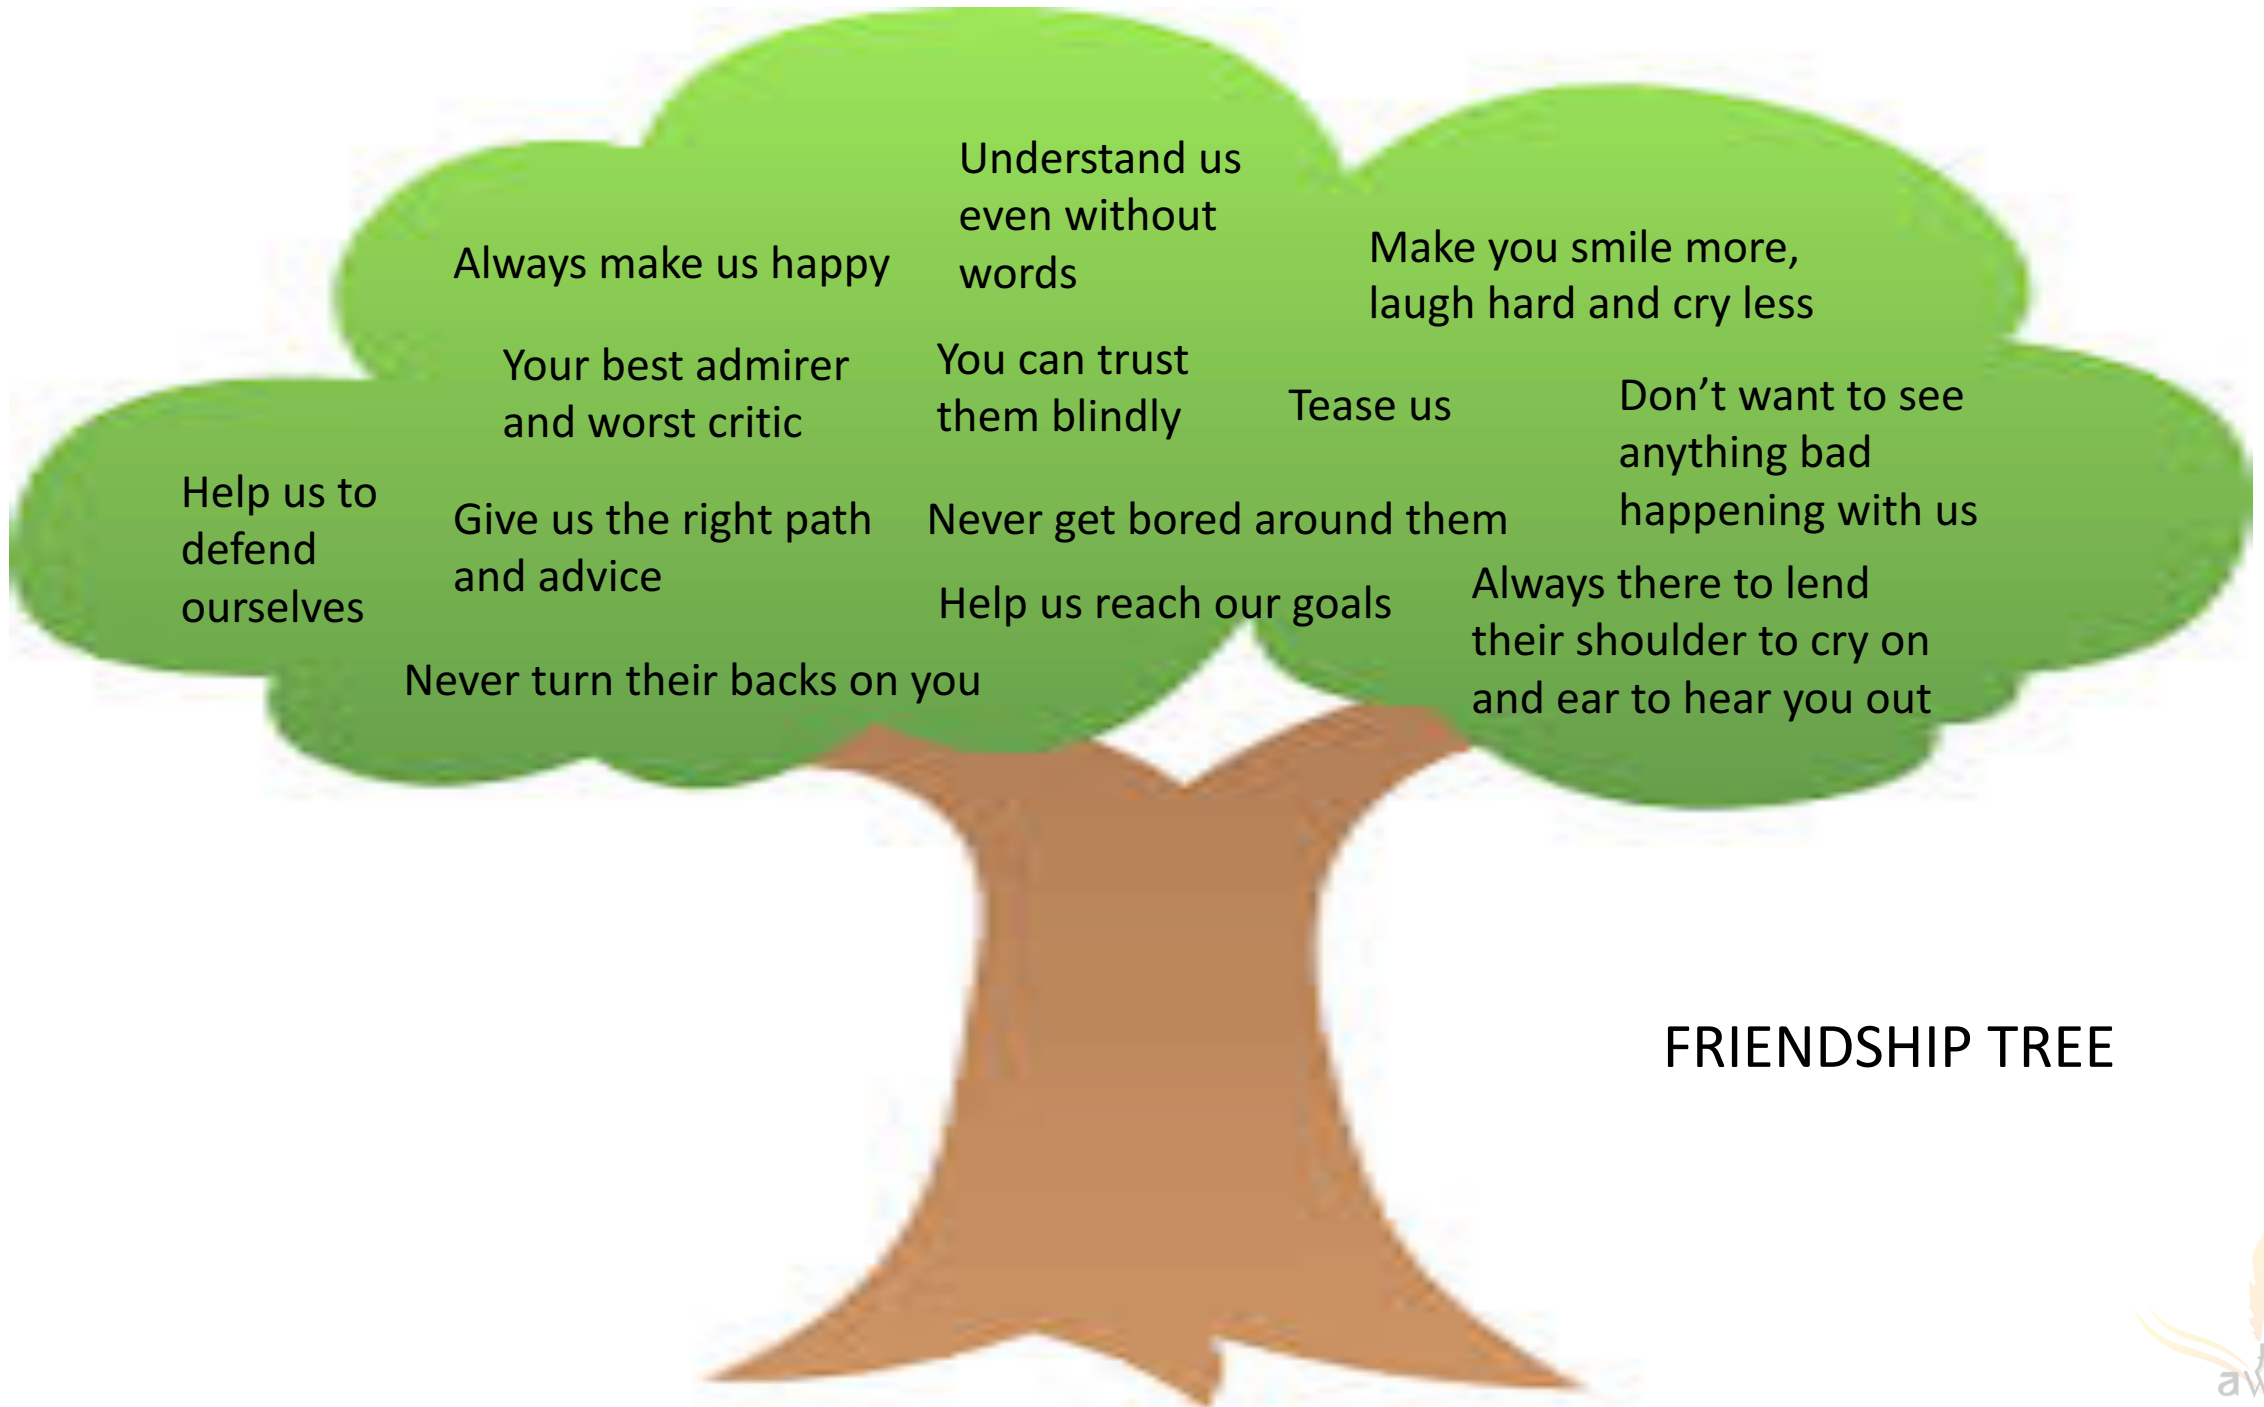

KRISHNA AND ARJUN

KRISHNA AND DRAUPADI

Always make us happy

Understand us  
even without  
words

Make you smile more,  
laugh hard and cry less

Your best admirer  
and worst critic

You can trust  
them blindly

Tease us

Don't want to see  
anything bad  
happening with us

Help us to  
defend  
ourselves

Give us the right path  
and advice

Never get bored around them

Help us reach our goals

Always there to lend  
their shoulder to cry on  
and ear to hear you out

Never turn their backs on you
